

Aeries.net Parent Portal

Online Student Data Access System

<https://aeries.redlandsusd.net/ParentPortal/>

Dear Clement Parents and Guardians,

The Redlands Unified School District will soon start transitioning the Aeries Browser Interface (ABI) to Aeries.Net. Aeries.Net has the same functionality as ABI, but with many enhanced features. These enhanced features include; grade trend analysis, school calendars, graduation status (high schools), standardized test results, and improved e-mail options.

Aeries.net can easily and securely be accessed from any PC that has access to the Internet. Parents **will not** need to do anything different in order to use the new Aeries.Net Parent Portal. Current user names and passwords will stay the same. Parents can start using Aeries.Net at any time.
